

## **WARRANTY OXIMO®**

1. For windshield wipers, OXIMO® provides only exclusion of warranty for physical defects caused in production, or which are its consequence detected within 30 days from the date of purchase of the goods.

Windshield wipers are a consumable and consumable element of the car, exposed to damage during their use, which is why they are not covered by the standard consumer warranty.

2. The liability of OXIMO® under the warranty is expressly limited to the right to free replacement of the goods or their parts with new ones free of defects or to reimbursement of the price for the goods or their part expressly recognized as defective by the manufacturer. The amount of return for the goods found to be defective may in no case exceed the equivalent of the net price of the goods sold. The right to warranty applies to goods invoiced by the manufacturer with a clear identification of the OXIMO® brand.

3. The manufacturer is not liable for any losses that do not result from physical defects of the goods, in particular for any losses resulting from:

- a) Using these goods in unusual conditions or not in accordance with the manufacturer's recommendations
- b) Improper maintenance
- c) Use for purposes other than intended or other than those provided by the manufacturer
- d) Installation that is contrary to the manufacturer's recommendations
- e) From the normal wear and tear of the goods

4. In any case, a complaint should be made at the place of purchase of the product, i.e. at any retail outlets that are a distributor of the OXIMO® brand or an indirect business partner of such a distributor.

5. Each complaint must be made in writing on the OXIMO® complaint form available on the website [www.oximo.pl/en/download/](http://www.oximo.pl/en/download/)

6. Subject to the provisions of the mandatory provisions of law, the manufacturer's liability for any damage caused by the goods sold by him is limited to the loss incurred by the injured party.
