CAR SEAT PROTECTOR MAT

- Protects your car seat from dents and scratches
- Has cutouts for the ISOFIX system
- Made of strong fabric and its universal shape allows it to be used in all car models and for different types of car seats
- Thanks to the use of rubber material, it has an anti-slip function and prevents the car seat from moving
- Built-in pockets allow you to store your child's belongings
- Easy installation - the mat is placed behind the headrest and adjusted with a buckle

This car seat protector mat acts as a barrier, shielding your car's upholstery from dents caused by car seat pressure, along with dirt and everyday messes.

SPECIFICATION

Dimensions	120 x 47 x 0.3 cm
Material	Oxford Fabric

HEAD PROTECTOR

- Supports the child's head: Keeps the head in an upright position during sleep to keep the neck straight
- Quick installation: Takes only a few moments
- Soft, breathable material: Provides comfort for children
- Adjustable strap: Allows for a perfect fit for the child's head
- Protective headrest: Prevents unnatural head positions of the child
- Versatile: Can be attached to a stroller, car seat, or baby carrier
